Hi Grecia, Marcia, and Dan,

I hope you all are doing well. We're (OECA/OCE/WCED) trying to finalize an internal EPA document that addresses various questions HQ has received over the last year or so re: RCRA Air. Some of the questions relate to RCRA and CAA interplay. Below is part of a response with the associated footnote. We want to make sure this is accurate and so we're reaching out to you for review. If you could review and get back to us by early next week that would be great.

Below let me know if you have any questions or concerns.

Thanks,
Laura
